Supporting our players, our program, and the experiences that make high school soccer unforgettable.

West Nassau High School . 1 Warrior Drive . Callahan, Fl 32011

Dear Prospective Lady Warrior Soccer Partners,

On behalf of the Lady Warriors Soccer Booster Club, thank you for taking the time to learn more about our program and the sponsorship opportunities available for the upcoming season.

This season brings both transition and excitement for the Lady Warriors Soccer Program. Following the 2025–2026 season, our head coach stepped down after helping establish the foundation of our Booster Club alongside many of the parents of our graduating senior class. **As a new Booster Club board and coaching staff begin this next chapter, we have a unique opportunity to build upon the strong foundation already in place while creating new opportunities for our student-athletes.**

While leadership may change, our commitment to these young women remains the same. We are incredibly thankful for those who helped build the foundation of this program, and we're excited to continue that legacy while bringing new ideas, new energy, and new opportunities for our athletes.

The Lady Warriors Soccer Program is about more than what happens during a game. As a Booster Club, our vision is to help create an environment where every player has the opportunity to grow—not only as a soccer player, but also as a teammate, leader, and young woman.

Through the support of local businesses, families, and community members, we're able to provide resources and experiences that extend far beyond the soccer field. Sponsorships help fund uniforms, equipment, player development resources, recruiting information, team-building experiences, and the traditions that make high school athletics memorable. As our program continues to grow, we also hope to expand opportunities that expose our players to the game beyond the high school level through recruiting resources, educational opportunities, and experiences attending collegiate and professional soccer matches.

Our goal is to provide every Lady Warrior with a first-class high school soccer experience—one that supports them both on and off the field and creates memories they'll carry long after graduation.

Every sponsorship plays a meaningful role in making that vision possible. Your partnership helps strengthen our program while investing in the student-

athletes, families, and community that stand behind Lady Warriors Soccer.

We invite you to join us not only for the upcoming season, but as a partner in the continued growth and future of Lady Warriors Soccer.

Thank you for considering this opportunity to make a lasting impact on the lives of our student-athletes.

Sincerely,

Jaime Bare

What Your Sponsorship Supports

Community support plays a vital role in helping us provide the resources, opportunities, and experiences that make the Lady Warriors Soccer Program more than just a season of games.

Every sponsorship helps us continue building a program where our student-athletes can grow both on and off the field. Your investment allows us to strengthen our program while creating meaningful experiences that our players will remember long after their final match.

Your sponsorship may help support:

⚽ New home and away uniforms for our athletes

⚽ Practice shirts provided to every player each season

⚽ Team warm-ups, bags, and other player gear as our program continues to grow

⚽ Practice equipment, training tools, goals, and field needs for both our turf competition field and grass practice field

⚽ Video equipment and technology used for game analysis, player development, statistics, and recruiting highlights

⚽ Recruiting resources and educational opportunities for players interested in continuing their soccer careers beyond high school

⚽ Team-building experiences, including opportunities to attend collegiate and professional soccer matches

⚽ Nutrition education, player development resources, and continued investment in athlete growth

⚽ Senior Night, Christmas celebrations, end-of-season banquets, player recognition, and other program traditions

⚽ Continued improvements that strengthen the overall Lady Warriors Soccer Program

Our Vision

Our vision extends beyond providing equipment and covering seasonal expenses. We are committed to creating a first-class experience for every Lady Warrior—one that prepares our athletes for success both on and off the field.

As our program continues to grow, we hope to expand opportunities that expose our players to the game beyond the high school level through recruiting education, leadership development, and experiences that inspire their future both in soccer and in life.

With the addition of West Nassau High School's new turf field, our equipment and training needs continue to evolve. At the same time, we continue maintaining our grass practice field, allowing our athletes to train in multiple environments throughout the season.

Why Partner With Lady Warriors Soccer?

When you sponsor Lady Warriors Soccer, you're supporting more than a team—you are investing in local student-athletes, their families, and a program built through community support.

Your partnership helps provide opportunities that directly impact our players from the first day of offseason conditioning through the final whistle of the season. More importantly, it helps create an environment where young women learn leadership, teamwork, perseverance, discipline, and confidence—lessons that extend far beyond the soccer field.

Every business, family, and community member who chooses to partner with Lady Warriors Soccer becomes part of something much bigger than a sponsorship. Together, we're helping build a program our athletes are proud to represent and a tradition our community can continue supporting for years to come.

Sponsorship Opportunities

Every partnership—regardless of sponsorship level—helps strengthen the Lady Warriors Soccer Program and create meaningful opportunities for our student-athletes. Whether you choose to become a Bronze Sponsor or a Community Champion, your support directly impacts the experiences, resources, and traditions that make our program successful.

Thank you for considering an investment in the future of Lady Warriors Soccer.
