

2026-2027 Sponsorship Opportunities

www.GoLadyWarriorsSoccer.org

Supporting our players, our program, and the experiences that make high school soccer unforgettable.

West Nassau High School . 1 Warrior Drive . Callahan, Fl 32011

Dear Prospective Lady Warrior Soccer Partners,

On behalf of the Lady Warriors Soccer Booster Club, thank you for taking the time to learn more about our program and sponsorship opportunities for the upcoming season.

This season brings both transition and excitement for the Lady Warriors Soccer Program. Following the 2025-2026 season, our head coach stepped down after helping lead and establish the foundation of our Booster Club alongside many of the parents of our graduating senior class. As a new board steps into this season alongside a new coach, we do so with the same goals that have always been at the heart of Lady Warriors Soccer – building leadership, character, teamwork, resilience, and lifelong memories for our players and families alike.

With change comes new ideas, new energy, and the opportunity to continue growing traditions while honoring the foundation that was built before us. We are incredibly thankful for those who helped shape this program and are excited for the opportunity to continue carrying that vision forward.

The Lady Warriors Soccer Program is about more than what happens during a game. As a Booster Club, our goal is to help create opportunities that positively impact our players throughout their high school journey. Through the support of local businesses, families, and community members, we are able to continue supporting, strengthening, and growing our program while helping provide resources, equipment, uniforms, team support, and other needs throughout the season.

Every sponsorship plays a meaningful role in helping create an environment our athletes are proud to be part of. Your partnership helps support not only our program, but also the players, families, and community that stand behind Lady Warriors Soccer.

We invite you to join us not only for the upcoming season, but as part of the continued growth and future of Lady Warriors Soccer.

Sincerely,

A handwritten signature in cursive script that reads "Jaime Bare".

Jaime Bare

What Your Sponsorship Supports

Community support plays a major role in helping provide the resources and support needed throughout the Lady Warriors soccer season. Sponsorships help us continue strengthening and growing our program while supporting our athletes both on and off the field.

Your sponsorship may help support:

- ⚽ Uniforms and player gear
- ⚽ Practice equipment and training tools
- ⚽ Video and film equipment used for game review, player development, statistics, and recruiting highlights
- ⚽ Team meals and player support throughout the season
- ⚽ Practice shirts, warm-ups, bags, and additional team needs
- ⚽ Maintenance and continued improvement of training areas and equipment
- ⚽ Team banquets, player recognition, and program traditions

As our program continues adapting and growing alongside the addition of West Nassau High School's turf field, equipment and training needs continue evolving as well. In addition to turf training equipment, our program also maintains a grass practice field used throughout the season.

Why Partner With Lady Warriors Soccer?

When you sponsor Lady Warriors Soccer, you are supporting more than a team — you are supporting local student-athletes, families, and a program built through community involvement.

The businesses and community members who partner with us help provide opportunities and support that directly impact our players throughout the season. From the first day of conditioning to the final game of the year, community support helps us continue building a program our athletes are proud to represent.

We are incredibly thankful for every business, family, and supporter who chooses to stand behind Lady Warriors Soccer and become part of what makes this program possible.
